Local Administrative Order 2020- 04

In accordance with Administrative Order 2020-14, effective May 6, 2020, and upon approval of the State Court Administrative Office (SCAO), the chief judge of the 67th District Court has consulted with the local health department and determined that gating criteria is satisfied as of June 9, 2020. Specifically:

1. There have been no COVID-19 confirmed or suspected cases in the court facility within a 14-day period.
 2. There is a downward trajectory of documented cases within a 14-day period and,
 3. State and local orders restricting movement and/or requiring shelter-in-place have been rescinded or limited and the SCAO has determined that existing orders would not prevent the court from implementing Phase One requirements.
 4. The chief judge has consulted with health authorities AND obtained data confirming that regional health care facilities are able to treat all patients without crisis care.
- A. In order to protect the health and safety of employees and the public, the 67th District Court has enacted the following protections:
1. Employees will self-screen for COVID-19 symptoms. Employees who feel sick or have any COVID-19 symptoms will not report to work. Employees who feel sick or display symptoms at work will be sent home.
 2. Court employees have been surveyed and those employees who have self-identified as a vulnerable employee and unable to return to work have been offered appropriate accommodations, including the ability to work remotely if their job lends itself to remote work.

3. To the extent possible, court employees who are working remotely will be allowed the opportunity to work remotely. Employees in court facilities will maintain social distancing of six feet at all times and wear masks when six-foot physical distance cannot be maintained. The court has taken the following steps to ensure proper social distancing and employee safety:
 - a. Placed physical barriers between workspaces that are not at least six feet apart.
 - b. Marked the floor in common spaces to indicate six-foot intervals.
 - c. Required employees to wear masks while in public spaces.
 - d. Required employees handling mail to wear masks and gloves.
 - e. Required employees to wear masks when assisting the public at the counter.
 4. Employees will practice good hygiene through hand washing, frequent disinfecting of used items and surfaces, sneezing or coughing into a tissue or elbow, and avoiding touching their faces.
 5. Employees will not travel for non-essential business.
 6. Employees have been trained regarding COVID-19. The training included good hygiene practices, updated personnel policies, and safety controls at the court facilities.
 7. Court facilities have posted signage emphasizing proper handwashing.
 8. Shared equipment will be cleaned and sanitized before each use. Examples of shared equipment include copiers, fax machines, and telephones used by more than one employee during a single shift or in consecutive shifts. This equipment should be wiped down with disinfectant or a disinfectant wipe between uses.
 9. The court is following the CDC guidance on cleaning and disinfecting if the facility is exposed to COVID-19.
 10. The court has developed a contact tracing policy and is prepared to implement contact tracing procedures after receiving notification that the court facility has had confirmed exposure to COVID-19. These procedures will help the court identify individuals who may have been exposed to COVID-19 and will identify exposure locations that need to be cleaned and disinfected pursuant to CDC guidelines.
- B. The 67th District Court is enacting the following measures related to public entry into court facilities:

1. The public will be screened by court personnel or security prior to entering the court building during court sessions. Screening questions will include, but are not limited to the following:

Any individual responding “yes” to the screening questions will not be allowed to enter the courthouse until they can pass the screening questions. Screening personnel will notify the court of any individual that does not make it past screening. The court will accept documents for filing from the person. If the person was scheduled to appear as a party a court proceeding, the court will work to reschedule the hearing/trial to either a remote proceeding or to a future date when the person may pass courthouse screening. The court must provide appropriate personal protective equipment (PPE) to any personnel responsible for in-person screening.
