Plan to Return to Full Capacity – Phase One

Administrative Order 2020 – 10

In accordance with Administrative Order 2020-14, effective May 6, 2020, and upon approval of the State Court Administrative Office (SCAO), the Chief Judge of the 67th District Court has consulted with the local health department and determined that gating criteria has deteriorated to require the court to revise the Phase I plan as of November 17, 2020. Specifically:

- A. In order to protect the health and safety of employees and the public, the district court has enacted the following protections:
1. Employees will self-screen for COVID-19 symptoms. Employees who feel sick or have any COVID-19 symptoms will not report to work. Employees who feel sick or display symptoms at work will be sent home.¹
 2. Court employees have been surveyed and those employees who have self-identified as a vulnerable employee and unable to return to work have been offered appropriate accommodations, including the ability to work remotely if their job lends itself to remote work.
 3. To the extent possible, court employees who can work remotely will be allowed the opportunity to work remotely.
 4. Employees should wear face coverings in court facilities at all times unless six foot social distancing is guaranteed. The court has taken the following steps to ensure proper social distancing and employee safety:
 - a. Placed physical barriers between workspaces that are not at least six feet apart.
 - b. Marked the floor in common spaces to indicate six-foot intervals.

¹ Guidance on COVID-19 symptoms is evolving rapidly. The most up-to-date information about symptoms of COVID-19 are available on the CDC website at <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>.

- c. Required employees to wear masks while in public spaces.
 - d. Required employees handling mail to wear masks and gloves.
 - e. Required employees to wear masks when assisting the public at the counter.
 5. Employees will practice good hygiene through hand washing, frequent disinfecting of used items and surfaces, sneezing or coughing into a tissue or elbow, and avoiding touching their faces.
 6. Employees will not travel for nonessential court business.
 7. Quarantine and/or isolation requirements will be implemented consistent with the most current guidance from the Centers for Disease Control and/or local public health officials.
 8. Employees have been trained regarding COVID-19. The training included good hygiene practices, updated personnel policies, and safety controls at the court facilities.
 9. Court facilities have posted signage emphasizing proper handwashing.
 10. Shared equipment will be cleaned and sanitized before each use. Examples of shared equipment include copiers, fax machines, and telephones used by more than one employee during a single shift or in consecutive shifts. This equipment should be wiped down with disinfectant or a disinfectant wipe between uses.
 11. The court is following the CDC guidance on cleaning and disinfecting if the facility is exposed to COVID-19.
 12. The court has developed a contact tracing policy and is prepared to implement contact tracing procedures after receiving notification that the court facility has had confirmed exposure to COVID-19. These procedures will help the court identify individuals who may have been exposed to COVID-19 and will identify exposure locations that need to be cleaned and disinfected pursuant to CDC guidelines.
