3. No Cross/Over Talk. Do not talk when someone else is sharing. Please be attentive and show the individual respect.

5. No smoking, eating, drinking or vaping. No driving a car or being at work while participating in the class.
6. The more you participate the more you will gain. You can demonstrate participation by being attentive, listening and providing feedback. Debate and even differences of opinion are acceptable; however, what is not acceptable is name calling, harassing, use of offensive language or talking about another member in a negative manner.
7. Cell phones are to be turned off while in group session. Leaving class to check or make phone calls is NOT permitted.
8. Facilitator of the group reserves the right to ask anyone to leave that may become a disruption to the class. If you are asked to leave, your fee will not be refunded and the Court will be notified of an unsuccessful completion of the program.
